Prague, 14.06.2012

[Handwritten signature]
 Head of the certification body

1. The product specimen was entered for evaluation and type certification on 24.10.2011.
2. The Certificate was issued on the basis of the documents provided by the client:
 - order without No. of September 9, 2011
 - appliance for certification dated 24.10.2011
 - certificate TÜV Rheinland č. S 60023881
3. The assessment of factory production control was performed at the product manufacturer concentrating on elements ensuring the continuation of product conformity with certification requirements. The results are stated in the Evaluation report of TÜV SÜD Czech file No. 05.706.941 and in the Report concerning the Initial inspection dated 31.10.2011.
4. Detailed technical data characterizing the product type:
The simple ladders with the length of 5252 – 11196 mm, width of parts 340/412/484mm. They are produced of aluminium sections. They are intended both for professional use in variants of both-sided ascending, ladders, both-sided ascending with overhang ladders and extending ladders. The last group of two digits of designation of the modification determines the number of rungs of the individual parts.
5. The list of important parts of the technical documentation:
 - instructions for use
 - drawings No. 86xx dated 01.09.2011 – assembly
 - internal regulations and guidelines for the control of products at ALVE SLOVAKIA, s.r.o.
6. Validity Conditions
 - The certificate shall apply only to its holder and products and production places mentioned therein.
 - The transfer of the certificate by its owner to third parties is inadmissible as well as the use of certificate by third parties.
 - TÜV SÜD Czech shall be notified forthwith of any product modifications compared to the certified specimen. This fact may cause the certificate continuation dependent on an additional conformity evaluation.
 - TÜV SÜD Czech shall supervise the proper functioning of the Quality System at the manufacturer within min. once a year deadline on the basis of a concluded contract about the controlling activity.
 - The certificate can be renewed on request.
 - The certificate shall only be reproduced complete including all the annexes.
 - The right to use TÜV SÜD Czech certification mark was established to the certificate.
 - The certificate holder commits to keep records of all the relevant complaints concerning the conformity of the products with the requirements of regulations and standards and make those records available to the certification body TÜV SÜD Czech.
 - Not specified items (advertising, use of certification mark and certificates) are governed by the General Conditions for Product Certification, as amended.

This language version of the certificate is a translation of a Czech official version No. 05.444.176 issued on 14.06.2012, which is deemed the only one applicable in the event of legal disputes and was printed on 14.06.2012.
